## Trout and Salmon Fishing is great... and there's more!

By Bill Hilts, Jr.

### **Newfane/Olcott:**

The Town of Newfane, with one of the best one-two punches in Olcott and Burt Dam/Eighteenmile Creek on the lake, has arguably some of the best freshwater fishing on the planet! If you don't believe us, just look at the fact that Olcott was voted as the Ultimate Fishing Town in 2012 by the World Fishing Network. It was further cemented when the community reached out to help their friends in neighboring Orleans County – which ultimately recognized Point Breeze and the Oak for the 2013 UFT title. Whether it's salmon, trout, bass, pike or perch, there's some type of fishing activity that the whole family can enjoy in Newfane and Olcott! And, you can catch fish year-round in a agriculturally rich, historically blessed community. Here are some excellent examples for arguing that point:

### **A Lock on the LOC ... Derbies –**

Last year (2015) brought mixed reviews for salmon and trout fishing. The Niagara County shoreline, led by the popular port of Olcott, offered some great spring salmon fishing when it came to the month of May. After that, fishing was a bit tough – for a variety of reasons.

The 2015 spring, summer and fall Lake Ontario Counties (LOC) Trout and Salmon derbies brought more than \$100,000 to the table last year. In the 2015 Spring derby, once more than 60 percent of all the winning salmon and trout came from Niagara County – again – with many of those prize-winners caught off Olcott. The Grand Prize checked in at 24 pounds, 9 ounces, reeled in by Michael Hay of Lake Luzerne, NY – a nice salmon weighed in at neighboring Wilson. Fishing was more of a typical spring for local boats but it changed overnight – during the local Pro-Am tournament. Lots of east wind in June kept water conditions unstable. The summer fishing was good, but salmon action was a bit slower than what the area is known for. In the Summer Derby, John Monroe of Rochester set the pace with a 28 pound, 8 ounce king caught out of Olcott during the summer LOTSA events. It was almost a clean sweep of Grand Prize winners for Niagara when Glenn Bird of Barker led the final week with a 30 pound, 11 ounce fishing. On the final Sunday, he was knocked out by an Eastern Basin fish, but he still ended up in first place in the Salmon Division. If you don't believe us about these tall derby "tails," log onto the derby website at [www.loc.org](http://www.loc.org) and check out the past leader

boards. Dates are set for 2016. If you need a boat slip, book early in Olcott at the Town of Newfane Marina at 716-778-5462.

### **2015 Held Lots of Fun Fishing Events –**

Newfane/Olcott was the host to many fun fishing and family events throughout the summer. The 31st Annual Skip Hartman Memorial Lake Ontario Pro-Am Salmon Team Tournament was held May 30-31 AND June 6-7 last year – two events that helped to celebrate 31 years of the Pro-Am event. Some 50 teams competed in the challenging format each event for over \$105,000 in cash and prizes. In the Trophy and Classic Divisions, it was Capt. Vince Pierleoni and his Team Thrillseeker winning the top prizes in the first event in the Classic Division with a very impressive catch. Trophy Division winner was Capt. Rich Hajecki and the Yankee Troller squad. The two day event was shortened to one because of the weather. In the second event, Five More Minutes led by Tony Chatt of West Monroe, NY led the charge. Winner of the Trophy Division was Oh Baby led by Matt Leclair of West Chazy, NY. In the end it was Thrillseeker and Five More Minutes tying for the Niagara Cup, combining the two Niagara events. Trophy Division Cup

winner was Yankee Troller. Open Division winner was Summer School the first weekend (only one official winner due to the weather); Blue Eyed Lady and Salmon Obsession II the second weekend. Summer School won the Rec Open Cup. The 2016 event promises to be even bigger and better! Log on to [www.lakeontarioproam.net](http://www.lakeontarioproam.net) for more information.

### **The 39th Annual Greater Niagara Fish Odyssey Derby was held August 22-30.**

The weather was decent and the fish cooperated nicely for this local contest that focuses on kids and families. Kids are free to fish and compete for a ton of merchandise prizes. Some excellent catches came to the scales and in the end it was Nick Perry of Newfane winning the \$2,500 Grand Prize when he won the drawing among first place leaders at the awards ceremony. He weighed in a 14 pound brown trout to take that division and earn the right to be in the drawing. Log on to [www.fishodyssey.net](http://www.fishodyssey.net) for details. Dates for 2016 are set for August 20-28 – the 40th Annual contest! Look for some special things happening. And get those kids involved! It's free for them to compete and win some great prizes!!

Last, but not least, let's not forget about the special one-day

event that gears teams up for the Pro-Am Tournament – the Don Johannes/Pete DeAngelo Memorial One-Day Three Fish/One Fish Contest that is normally held the Friday before the two-day Pro-Am (May 29 and June 5 this year). The date could change by a day this year. This fun-filled contest allows teams to head out into the lake in pursuit of their three biggest fish for a total weight to determine who the winners are. There is also a prize for biggest fish overall. There really aren't any rules to abide by other than times and that the fish must be caught legally. You don't even need to be fishing in the Pro-Am tournament. It's an opportunity to take advantage of the local fishery, win some cash prizes, raise some money for local charities or worthy causes and help remember two people who meant a lot to the local fishing scene. To find out more information, give The Slippery Sinker a call at (716) 778-0713. Entry fee is just \$100 per boat.

### **Net Pen Project Continues –**

Spearheaded by the Lake Ontario Trout and Salmon Association, Olcott will once again host a net pen project for salmon and steelhead in 2016, the 9th year in a row for such a project. Some 50 volunteers were involved to help rear 67,000 salmon and 3,500 steelhead at the Town of

Newfane Marina. Other groups involved were the Newfane Business Association, the Niagara County Fisheries Development Board and the Town of Newfane. County Legislator John Syracuse, The Slippery Sinker, the Niagara River Anglers Association and DEC all played a role in the success of the project. Funds are now being supplied by LOTSA through an annual Lake Ontario Marketplace held this year at the new Greater Niagara Fishing and Outdoor Expo at the Conference and Event Center Niagara Falls on Jan. 24, 2016. The LOTSA event is part of a three-day Expo (Jan. 22-25, 2016) at the Conference Center, helping to create a better awareness for the outdoor resources locally. This group is now in the 9th year of rearing 3,500 steelhead in a third pen to help improve the survival rates of these fish and imprint them to the waters of 18 Mile Creek. For more information on L O T S A , c h e c k o u t [www.lotsa.org](http://www.lotsa.org).

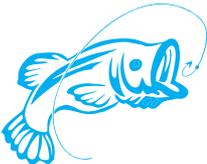

The success of the first eight years was outstanding, both in the way of local support and in how the fish reacted to the 18 Mile Creek site. The fish grew big and healthy in a relatively short amount of time and the benefits are already being realized out on the lake and in 18 Mile Creek. If you want to be

part of this project, which will continue in 2016 and beyond, stop on down to the Town of Newfane Marina and express an interest or contact the project coordinator (Bob Fishlock) through the website at [www.lotsa.org](http://www.lotsa.org).

**Updated Fishing Map and Hotline -**

Want to know what's going on with the local fishing scene? Your first stop should be the Niagara County Fishing Hotline. The new number for the hotline is now (877) FALLS US. That's right, it's toll free! It's also on the net at [www.niagara-usa.com](http://www.niagara-usa.com) and [www.outdoorsniagara.com](http://www.outdoorsniagara.com). For regular updates of the local fishing scene from April to October, check out [www.olcottfishing.com](http://www.olcottfishing.com). In addition to the fishing updates, the Greater Niagara Hotspot Fishing Map was updated in 2016 and is now available. Stop in at local tackle shops or information centers (like the Olcott Caboose) and pick up a copy. Or, order one on line at [www.niagara-usa.com](http://www.niagara-usa.com) or by calling (877) FALLS US.
